10th ANNIVERSARY/ WORCESTER MIRACLE CRUSADE 2023

2023 VISION

God show up as Almighty God Genesis 17: 1- 2

In this decade God has raised up leaders with a clear promised for these generations. God's promises; in Genesis 17: 1-2 and said to Abram, "walk before me faithfully and be blameless." In his word, God gave us promises that we can hold on when we need hope, courage and comfort. These promises reveal God heart, and his deepest nature and tell us who he is in relation to his people. When problem come or when we are afraid, worry and intimidation we often begin to imagine the worst-case scenario. We should remind ourselves that He is a loving God who hold us in his hands. When we fear or doubt about some situations God is still remain faithful. When we seem overwhelming and no way to go, He is a way maker we can refocus on him on our journey.

Know that God is bigger, Smarter and more powerful than we can imagine. So, He can be trusted, God loves us and always faithful to his promises. Read and recite God's promises to yourself. Fill your mind with them daily. "trust in the Lord with all your heart and learn not on your own understanding; in all your ways acknowledge him, and he will your paths straight." Proverb 3: 5-6

A. Resist the temptation and do not glorify the problem. It is a common form of our natures to place the problem first rather than God first. It's so easy to get focus on a problem so concern that we talk about it endlessly instead of praying about it and focusing on God power and ability to handle it. "Cast all your anxiety on him because he cares for you." 1 Peter 5: 7

B. Maintained your joy and peace. Don't let the enemy steal your peace regain it and remember that the devil didn't gave you the joy so don't hand over to him. Focus on God who is the author and finisher of your faith. See what he has done for you and worship him. The joy of the Lord keeps you going, not placing the overwhelming problems in the forefront of your mind, it would steal your peace and weaken your emotion. "I lift up my eye to hills where does my help come from? My help comes from the Lord, the maker of heaven and earth. He will not let your foot slip he who watches over you will not slumber." Psalm 121: 1-3

C. Pray, thank God, He is in control of the universe. God is good in every situation let him take care of it. "Do not be anxious about anything, but in everything, by prayer and petition, with thanksgiving, present your requests to God. And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus." Philipians 4: 6-7

This new year God's revealed Himself as Almighty God and gave us promises for hope and courage for the journey. 2023 Password: "I am God Almighty; walk before me faithfully and be blameless." Genesis 17: 1b
